Copy of letter No. 833/ dated 28th July 1959 from the District Forest Officer, Bhadravati to the Conservator of Forests Shimoga Circle, Shimoga.

Sub: Grant of lands for cultivation in Kenchemnahalli, Ukkunda and Anthergange villages- details furnished.

Ref: Your No. M. 272-1145/57-58 dated 18-7-1959.

With reference to the above reference I furnish below the details of area taken for the constitution of Anthergange State Forest of Bhadravati Range. Sno. wise as called for.

There is no village found in the Government notification and the 'C' statement (constituting the State Forest of Anthergange) by name Kenchevvanahalli and the name of the village Kenchevvanahalli appears to be a mistake for 'Kenchammanahalli'.

Sir,

MYSORE GOVERNMENT SECRETARIAT
No. 4168

REVENUE DEPARTMENT

Sub:- Grant of Government lands in Ukkunda Kenchammanahalli and Antharagange villages in Bhadravathi Taluk for Co-operative Farming.

Ref:- Your letter No.RD.1.LGS.58 dated 13-11-58.

"A"

I write to state that the local Officers have built up records in favour of Sri Rameswara Co-operative Farming Society, Ukkunda headed by Sri Kempaiah as President of the above named Society. Another set of aspirants led by Sri Seshagiri have also been strongly agitating for the grant of the land for cultivation. It was felt desirable not to grant lands to the individuals but to grant the same to the Co-operative Society so that a farming on Co-operative lines could be made feasible which is the present policy of Government. The Registrar of Co-operative Societies has been urged to select a set of genuine Co-operators and register a Society to which land could be granted. Grant of land to the Society will not only ensure better or efficient agriculture but will also avoid complications or litigations as between applicants as there are a large number of applicants and there are two conflicting groups of applicants.

In any case, it is evident that land cannot be granted to any body unless the same is released from the Forest Department. The details of the lands applied for are noted below:-

3. Antharangage	20	596-34
	Total:-	1687-08

The Forest authorities who were consulted in the matter have stated that these lands (except S.No.3 of Ukkunda) have been included in 'Antharangange State Forest' as per GO.No.9061-64/Ft.95-15-4 dated 22nd March 1916. A copy of the 'C' statement furnished by the District Forest Officer, Bhadravathi is enclosed for ready reference. They have opined that it is not desirable to grant the lands and that the

request of the Petitioners may be rejected. Of the S.Nos. mentioned in the margin a portion of the land comes under the irrigable area of the Bhadra River channel.

It may therefore be said that the entire extent of land will be brought under plough ultimately, a considerable portion under dry-cultivation.

It may do no good for the Forest Department to keep on this land in view of the fact that a good bit has come under channel statment and further as there is demand for the release of the land for agricultural purposes.

I therefore request that orders of Government releasing the above S.Nos. from the Forest may kindly be obtained and communicated to me so that I may take further action in the matter of grant of land.

Yours faithfully,

6) Large extent of Forest lands have already been released for cultivation or lost by submersion under various projects. In view of the low percentage of Forest area in the State it is necessary to protect at least the existing Forests in the interest of the Nation. 10

7) As can be seen from the Deputy Commissioner's letter only a portion of the land asked for is irrigable and the remaining extent is fit for only dry cultivation. Even in case of irrigable area the Department is contemplanting raising of irrigated plantations during the IIIrd five year plan. In the above circumstances and also inview of the availability of large extents of assessed and unassed waste lands in Shimoga Districtx it is not advisable to release the area in question. In this connection kind attention is also invited to ~~xx~~ this office letter No . B3. 85-964/58 dated 26-9-59 under which the release of the area in question has already been recommended to be rejected on a reference received with your Memo No. AFD-211-DST-58 dated 6-8-1958. 11

8) In this connection, I would also like to state that in several cases the Deputy Commissioners are referring the matter of release of Forest area to me or to Government after building up the records for dharkast. I request that the Deputy Commissioners may be kindly instructed not to build up records prio-r to the obtaining of concurrance of this Department to the release. 12

Orders have not yet been issued there as, a doubt was raised in para 14 if the lands asked for by the Sri Rama Coop Soc. (Pl. see file no AFD 87 FGN 59) In this file the Coop Soc which has applied for land is a Joint Society of Ukkunda-Antaragan villages.

39 He is not certain as to the particular area each Society is asking for release as he says information on that point is not available in his office

40 In the list of areas furnished by him, S no. 3 of Akkunda is not included in the Anthanagange State Forest.

41 He further reports that when the M (FS) had visited the area on 20-12-59, he had wished that only irrigable areas may be released. In that case, according to the DFO, only S nos 10 of Akkunda and S no. 3 of Kerchanamanahally, each measuring 315-30 and 303-16 in all 619-06 acres, come under

So far as the sketch is concerned, reference is invited to S/L 'A' page 72. 42

It is now submitted for orders whether the irrigable area referred to in para 41 ante be released or further report as stated in para 42 above be awaited. 43

It may be added here that if the area is finally agreed to be released, it would perhaps be advisable to ask all the Cooperatives to form a Single Society and the land assigned to them. from para 27 onwards please. 44 45

Please see para 33 of the notes and the letter d. 15-4-60 from the DFO, Bhadravathi. at p. 71. CF. According to this letter the area asked for by the Coop: Societies seems to lie in 3 villages - (1) Ukkunda, (2) Kenchammanahalli

the Revenue Authorities inasmuch as the responsibility lays on them to furnish the Forest Department, the required records with sketches of the area, i.e., some applied for, which they never did inspite of repeated requests.

59 The other points for consideration would be the question of allotment of land to the various Societies in the field.

(a) Sri Rameshwara Coop. Farming Coop. Soc, consists of 300 members.

(b) Sri Rama Coop Farming Soc, about 300 members and the other (c) anonymous one ~~to recognised~~ consisting of about 50 members.

60 We have already agreed to the release of 300 acres in favour of Sri Rameshwara Coop Farming Soc in our file AFD 494 FGL 59 (please below) at para 7. The area irrigable is about 620 acres. This area falls short of greatly, the requirements of ~~all~~ the

Societies. It is even somewhat sufficient for one Soc which is having 300 members in that each family has to satisfy with 2 acres only. The ~~the~~ The next question arises as to which of the Societies should be granted or preferred & if done so, the extent of land that is necessary. This may kindly be examined on the bonafides of each of them

However it may be stated here that Sri Rameshwara Coop. Jg Soc, to whom we have already agreed to release 300 acres as stated above, is the one which has all along been agitating from a long time for the land. The D.C. Shimoga has also promised consideration of allotment of land when once it is released by the Jt. Dept. In view of this the available land may be granted to them and the other Societies either be asked to select some other area or land allotted elsewhere

Outside the limit of the State forests.

All the above areas except those covered by S No. 3 in Ukkanda village are within the Anthargange State Forests and unless the Forest Department agree to release these areas after disforesting them they will not be available for being distributed for cultivation. According to Form 64/N. S No. of Antargange contains teak and sandal wood and other areas contain fine wood with sprinkling of teak and sandal wood.

66 Lands in the above Forest areas have been asked for by the following.

(a) Shri Rameshwar Corporative Farming Society headed by Shri Ramaiah as its President. } Has asked for lands in the Bechadle villages of Ukkanda, Kenchammadi and Anturaguppe. This society has not been registered. The local officers have built up records in its favour.

(b) Shri Rama Corporative Farming Society - headed by Shri Sheshagiri and supported by Smt Ratnamma. } Has asked for lands at Ukkanda, Mavinakere and Kenchammanahalli.

Seems to be one and the same.

(c) Shri Rama Corporative Farming Society - headed by Shri R. M. Tulajappa. This Society is also known as Sri Corporative Farming Society. } Has asked for lands at Ukkanda, Kenchammadi, Mavinakere etc.

It is evident from the various representations received from the Societies and the individuals viz. Shri M. Lingiah and others, that the demand for land is in general and each would like to have land for cultivation from the above Survey numbers on corporative basis. The Forest dept is reluctant to part with the Forest area. From from 65/N it is seen that there an area of about 261 acres at Gutte becomes irrigable though the Forest Dept is of the view that this area they would like to utilise for irrigable plantations. The

M(F) he have minuted that about 300 acres may be released in favour of Sri Rameshwar Cooperative Farming Society.

67 From the report dated 13.5.60 of the Tahsildar Bhadravati, it is clear that only two organisations have come forward to form themselves into Cooperative Farming Societies. They are (a) Sri Rameshwar Cooperative Farming Society headed by Sri Kenpiah, an employee of the M.I.S.W and (b) Sri Rama Cooperative Farming Society headed by Sri. R.M. Thulajappa. Both these societies have not been registered still. The Society headed by Sri Thulajappa consists of the employees of the M.I.S.W and he has supplied the particulars, so is also the case in respect of the other society but Sri Kenpiah has not supplied the particulars in respect of his society's members.

Stmt B in RD file No. 6824/RB

Chief Pathmar Papers Town. Bhadravati.

The Tahsildar reports that all the members of Sri Thulajappa's society are natives of other places and have come and settled in Bhadravati being employed in the Steel works and he is not aware whether they own lands elsewhere. Both these Societies have not asked for the same land. Since the other society ~~consists~~ also consists of the ~~members~~ employees of the MISW it is possible that these persons may also be natives of other places.

68. It is natural that ~~to too~~ preference should be given to the natives of the locality in the matter of distribution of land for cultivation. Since the society headed by Sri Thulajappa consists of

Serial No.

persons coming from outside it may not probably be complied with. As regards the request of Sri Ramaswamy Carpentry Farming Society the DC may be requested to inform after enquiring whether its members are also from outside in which case it would be better to postpone the proposal until we know that there are no natives who are in need of the land for cultivation and who are not willing to form themselves into Carpentry Farming Societies information in respect of which may be obtained from the DC.

69 If at all Govt decides ultimately to release area, in the interest first conserving, area coming under irrigable zone vide Section of 61.06 Acres as indicated in ~~Sl No~~ from 65/N alone may be surrendered to the RA for being assigned for cultivation of the landless local agriculturists. The sketches required are at pages 89/f.

70 Para 65 onwards please. The above notes have been put up after discussions with me. According to details shown in para 65. the irrigable extent of land appears to be a little over 400 acres. The two Societies – Rameswara Coop. Society and

Note.—Contn. Sheet

Serial No.

Sri Rama Coop. Society have asked for 300 acres of land each. According to DFO Bhadravathi's letter d. 15.4.60 (P.71) cs. the total irrigable area appears to be 619 acres 06 guntas (315.30 acres in S.no. 10 of Ukkunda and 303-16 acres in S.no. 3 of Kenchammanahalli village. S.no. 3 appears to be a Revenue S.nos and this fact needs to be got confirmed). Thus the exact extent of irrigable area need to be ascertained by reference to Local PWD authorities. In any case we can take it that the area available will be not less than 400 acres.

Now a decision has first to be taken on the following issues. 71

1) whether we are going to release any forest land at all, especially in view of the fact a) that Forest Dept wants to have Irrigated Plantations in the area, and b) that we have lost Sizeable chunks of Forest lands in Shimoga Dist due to the various irrigation projects.

2) If we decide to release any lands, whether lands so released

Serial No.

Should be only irrigable lands or other lands also.

3) If the Govt decides that only irrigable lands are to be granted, which Society of the two Should be preferred - or whether both the Societies will get equal areas.

72 As far as point 1) is concerned, as a matter of policy of Forest Conservation it may perhaps be not advisable to release any land in the Dist. Regarding Point 2) presuming that Govt releases lands, it would be preferable to grant only irrigable lands.

73 As regards Point 3), So far as Forest Dept is concerned, we disforest the area and keep it at the disposal of the RD. It may however be left to the local officers to demarcate and release the land to the applicants on their merits. At the Same it may be pointed out that as brought out in para 68, none of the members of either Society Seem to be from the

locality and it may be preferable to grant lands to the local landless, Scheduled castes & others and then only consider the claims of other outside applicants.

Since the area is said to contain tree growth, if it is decided to release the lands for cultivation it may be better to disforest the area after clearing the Forest Growth depty to the best advantage of Govt. and then only make it over. Secondly, the area to be released has to be properly demarcated and it should be seen that there are no inroads into the remaining Forest areas. 74

77 There are two Co-operative Societies pressing for the grant of land in this area. Recently, the Secretary of one of the Societies who met me told me that the two Societies are amalgamated into one Society and the two parties have settled their differences amicably. The Deputy Commissioner after hearing both the parties may, in consultation with the Asst. Registrar of Co-operative Societies, grant the lands to the amalgamated Society subject to the usual conditions to be stipulated while granting lands to the Co-operative Society.

120 It seems that the stand taken by the Deputy Commissioner, Shimoga, with regard to the proposed Sri Rama Cooperative Society, Rameswara Co-operative Society as can be seen at page 117 seems to be reasonable. I would prefer to grant the forest lands for a Co-operative Joint Farming rather than to individuals and as such the area may be disforested and given in favour of proposed Sri Rama Co-operative Society. If the members of the proposed Sri ~~Rama~~ Rameshwar Co-operative Society want to join the other proposed joint farming society, they should be welcome as suggested by the Deputy Commissioner. The name of the society may also be changed if need be later on subject to all of them agreeing.

Copy of letter No.822 dated 27th July 1959 from the District Forest Officer, Bhadravati to the Conservator of Forests Shimoga Circle, Shimoga.

Subject: Request of Sri M.Lingaiah and other of Bhadravati for grant of lands situated in Ukkunda village, Kudligere Hobli Bhadravati Taluk.

Reference: Your No. M. 115-443/58-59 dated 28-8-58 and No.M115-443/58-59/24-6-59.

I write to state that the petition of Sri M.Lingaiah and others forwarded with the reference first cited relates to the grant of lands in S.No. 10 etc of Ukkunda village. In this connection I wish to state that the matter was referred to the Range Forest Officer, Bhadravati for report and he has since reported that S.Nos. 1 to 10 of Ukkunda village except S.No. 3 have been included in the Anthergange State Forest and as such I am of opinion that it would not be desirable to grant the lands applied for by the petitioners. Further, darkhast records built up by the Tahsildar, Bhadravati for the same S.No. and forwarded to this Office for opinion have also been rejected in view of the fact that the area comes under the State Forest limits.

In the circumstances, I Recommend that the request of the petitioners for grant of lands in the said S.Nos may kindly be rejected.

Sir,

Subject: Request of Sri M.Lingiah and others of Bhadravati for grant of lands situated in Ukkunda village, Kudligere Hobli, Bhadravati Taluk.

Ref: Your letter No. B 3.85-964/58 dated 22-8-1958.

I enclose herewith a copy of Bhadravati District Forest Officer's letter No. 822 dated 27th July 1959 (in duplicate) for favour of information.

The petitioners have applied for grant of 1,500 acres of Ukkunda village for cultivation and also construction of sheds and also further extents of 20 acres in S.No. 20 of Antargange village and 15 acres in S.No. 10 of Ukkunda village for construction of Sheds for residential purposes etc. The District Forest Officer Bhadravati has reported that S.Nos. 1 to 10 (except S.No.3) of Ukkunda village are included in the Antargange State Forest that it is not desirable to grant the lands applied for by the petitioners and that he has furnished the same opinion to the Tahsildar, Bhadravati Taluk duly returning the Darkhast records built up by that Department.

As recommended by the District Forest Officer the request of the petitioners may be rejected.

The petition is retransmitted herewith.

To

The Honourable Minister for Forest,
Government of Mysore, Bangalore.
Camp. Bhadravati.

Sir,

Subject:- Grant of lands for cultivation and irrigation in the following bechark villages-Ukkunda, Antharagange and Kenchammanahalli, Kudligere Hobli, Bhadravati Taluk.

I, the undersigned beg to inform you that under my leadership of about 300 families made a representation to the Deputy Commissioner, Shimoga on 10-2-1958 at Haralehalli Jamabandi for grant of lands in the above said becharak villages and also made representations to the Revenue Department, Government of Mysore in the matter. Accordingly, to their letter No.RD.72 LGS dated 1-10-1958 from the Revenue Department, Government of Mysore, the Revenue Authorities at Shimoga and Bhadravati investigated the spots and lands and built up the records and reported under No.R.2 244C-972/57-58 dated 17-1-1959 (through the Sub Division Officer) to the Deputy Commissioner, Shimoga for favour of granting the lands for agricultural purposes as the lands are best suited for cultivation and irrigation purposes.

During the course of invetigation by the Revenue Department for nearly 2-2½ years regarding the above lands, we were not given to understand that the above lands actually belonged to the State Forest and we made all the sincere efforts to get the records built upincurring heavy expenses.

After all our efforts we were shocked to receive an endorsement from the Deputy Commissioner, Shimoga under memo No. M 4 C. 6556-334/57-58 dated 13-9-1959 stating that the above lands actually belonged to the Forest Department, Government of Mysore, the true copy of which is also enclosed herewith for your kind information.

78

But our longing desire to get the above lands for cultivation purposes settling down in the above Bechrak villages, reinstating the existing the two temples and two tanks, very useful for all purposes made us to put through our further representation to the Chief Conservator of Forests, Government of Mysore, Bangalore, through out application dated 4-9-1959. The true copy of which also has been enclosed herewith for your kind information; the Chief Conservator of Forests also has been pleased to give us an endorsement under his letter No.B 3-61-18595/59 dated 13-9-1959.

Further we have enclosed herewith a copy of our application to the Revenuw Secretary, Government of Mysore, praying them to move the matter with he Forest Department, Government of Mysore, for favour of compliance of our request.

Under the above circumstances, I once again beg to inform you on behalf of my followers that we are landless people, keenly interested in agriculture and your kind and favourable sanction of these above lands for our cultivation purposes will feed more than 300 families. Hence this representation.

We have represented in person to your honour at Bangalore 7-12-59 for kind and needful action in this behalf.

Thanking you,

Sir,

Subject:- Grant of lands for cultivation and irrigation in the following becharak villages - Ukkunda, Antharagange and Kenchammanahalli, Kudligere Hobli, Bhadravathi Taluk.

***

I, the undersigned beg to inform you that under my leadership of about 300 families made a representation to the Deputy Commissioner, Shimoga, on 10-2-1958 at Haralehalli Jamabandi for grant of lands in the abovesaid bechrak villages and also made representations to the Revenue Department, Government of Mysore in the matter. Accordingly, to their letter No. RD 72 MGS dated 1-10-1958 from the Revenue Department, Government of Mysore, the Revenue Authorities at Shimoga and Bhadravathi investigated the spots and lands and built up the records and reported under No.R 2. 244C -972/57-58 dated 17-1-1959(through the Sub Division Officer) to the Deputy Commissioner, Shimoga for favour of granting the lands for agricultural purposes as the lands are best suited for cultivation and irrigation purposes.

During the course of investigation by the Revenue Department for nearly 2 - 2½ years regarding the above lands, we were not given to -

to understand that the above lands actually belonged to the State Forest and we made all the sincere efforts to get the records built up incurring heavy expenses.

After all our efforts we were shocked to receive an endorsement from the Deputy Commissioner, Shimoga, under Memo No.M 4 C 6556-334/57-58 dated 13th September 1959 stating that the above lands actually belonged to the Forest Department, Government of Mysore, the true copy of which is also enclosed herewith for your kind information.

But our longing desire to get the above lands for cultivations purposes, settling down in the above Bechrak villages, reinstating the existing the two temples and two tanks, very useful for all purposes made us to put through our further representation to the Chief Conservator of Forests, Government of Mysore, Bangalore, through our application dated 4th September 1959. The true copy of which also has been enclosed herewith for your kind information; the Chief Conservator of Forests also has been pleased to give us an endorsement under his letter No.B.3-61-18595/59 dated 13-9-1959.

Further we have enclosed herewith a copy of our applications to the Revenue Secretary, Government of Mysore, praying them to move the matter with the Forest Department, Government of Mysore, for favour of compliance of our request.

Under the above circumstances, I once again beg to inform you on behalf of my followers that we

S i r,

Subject:- Granting of lands for cultivation;cashewnut and fruit bearing trees &c., in the following Bechareck villages, namely, Ukkunda, Anthara-[illegible] Ganga, and Kenchamakanalli, Hudligere Hobli, Bhadravathi Taluk.

[illegible]

We the undersigned members of the abovesaid Institution have been trying to get the lands for cultivation and also for Rehabilitation in the abovesaid Bechareck villages since the last 22 years. We are about 300 families.

As per the Letter No.RD.72 L.G.S. dated 1-10-1958 from the Revenue Department, Government of Mysore, to the Deputy Commissioner, Shimoga, the Revenue authorities here are kind enough to make necessary investigation and mainar and have built up all the necessary records in favour of cultivating the lands. Your Department have not used the said lands for any forest purpose and is idling eversince the above -

above Bocharack villages have been included to your Department under Government Order No.9061-64 FT. 98-15-4 dated 22-3-1916. This has been shown as kharab even in your Department where no valuable trees,such as, honne, Nandi, Teak, Sandal trees exist. These - lands are more suitable for cultivation. We the members have, therefore, determined to Rebuild the villages which are Bocharacks now and undertake cultivation in Survey Nos. 1 to 10 in Ukkunda, Survey No.20 in Kathare-ganga, and S.Nos.1 to 3 in Kenchammanahalli, Kudligere Hobli, Bhadravathi Taluk.

Recently, we have been informed by the learned Deputy Commissioner, Shimoga, that unless your Department graciously gra-ciously release the above lands for culti-vation purposes he would be unable to com-ply with our request. We are all landless people and very eager and earnest in agricul-ture. If you will kindly grant these lands for agricultural purposes more than 300 fami-lies i.e., about more than 2000 people will have their living.

Under the above circumstances, we humbly request you kindly to inspect the above lands yourself which enables you to know the truth of our representation. As the above efforts of ours have been delaying

delaying for the past 2½ years we humbly once again request you kindly comply with our humbly request and do the needful at an early date.

Thanking you,

Yours faithfully,

THE REVENUE SECRETARY,

Sir,

SUBJECT:- Reference No.R.D.72 L.G.S. dated 1-10-58 to the Deputy Commissioner, Shimoga, in connection with obtaining lands for cultivation in the following Bechcrack villages, namely, Ukkunda, Antharagange and Konchemmanahalli, Bhadravathi Taluk.

***

On behalf of Sri.Rameswara Co-Operative Society, UKKANDA village, Upper Hutha, Bhadravathi, I the President K.Kempiah beg to inform you that accordingly to your above reference No.R.D.72 L.G.S. dated 1-10-1958 to the Deputy Commissioner, Shimoga the learned Deputy Commissioner was kind enough to put through the necessary investigations &c. in the matter,and of the opinion that the lands above are well suited for cultivation &c. which could feed more than 300 families i.e., about 2,000 people in these days of food crisis.

I would like to enlighten you in brief on the birth of the above Co-Operative Society. On 10-2-1958 at Karalehalli Jamabandi in the presence of the Deputy Commissioner, Shimoga, under my leadership, about 300 members who were - keenly interested in agriculture and also in rehabitation in the Bechcrack villages, namely, Ukkunda, Antharagange and Kenchemmanahalli, filed an application praying for grant of lands under Darkhast ( ) to an extent of 6½ acres of lands for each member in Survey Nos.1 to 10 at Ukkunda, Survey No.20 in Antharagange and Survey Nos.1, 2 and 3 at the Kenchammanahalli and all my followers thought of forming a Co-Operative Society for our own convenience. Accordingly we have even mentioned in our representation dated 18-4-58 to the Chief Minister, Government of Mysore, Bangalore and thus the Sri.Rameswara Co-Operative Society, Ukkunda (under Registration) Upper Hutha, Bhadravathi, came to existence and subsequently we filed an application to the Assistant Registrar Co-Operative Societies, Shimoga on 25-5-58 kindly to register our above Society and presented him with all the frame work of our Bylaws etc.

In the meantime according to your letter No.R.D.72 L.G.S. dated 1-10-1958 the concerned Revenue Authorities at this end completed their investigation and sent the whole records so built up to the Deputy Commissioner under their report No.R.2 - 244 C - 972/57-58 dated 17-1-1959 through the Sub Division Officer, Shimoga, on which the Deputy Commissioner was pleased to refer the matter to the Assistant Registrar of Co-Operative Societies, Shimoga under his - letter No.M 4 C 6556-334/58-59 dated the 11th Feb.1959 for necessary Registration and as the matter is still under - consideration ~~as~~ the Registrar of Co-Operative Societies, in Mysore, Bangalore, is awaiting the opinion of the Deputy Commissioner, Shimoga, as there seem to be little controversy.

86

The learned Registrar also had deputed a special officer to study the affairs at Bhadravathi, and the Special Officer had visited the place on 14-8-1959 and has given his report to the Registrar of Co-Operative Societies, which is still kept as confidential. Under these circumstances, I humbly request you kindly to get the report of the Special Officer also which might enable you to form your view also in this matter.

In the meanwhile we were surprised to hear from the Deputy Commissioner, Shimoga, that all the above lands under the above mentioned Survey Numbers are belonging to the State Forest. All these Survey Numbers are being shown as kharab in the Records of the Forest Department eversince the above Bechareck villages and lands have been included into the State Forest under G.O.No. 9061-64 FT-95-15-4 dated 22-3-1916. Eversince the Forest Department has not utilised it for any forest purposes. There are no such valuable trees existing in that area. Therefore, we have also given our representation to the Chief Conservator of Forest, Government of Mysore, Bangalore, on the 4th September 1959 kindly to grant us the above lands for cultivation purposes after his inspection at an early date.

The Deputy Commissioner also has given us an endorsement No.E 4 C 6556 - 334/57-58 dated 13th Sept.1959 stating that he could only be able to grant us the abovesaid lands for cultivation if the above lands are released from the Forest Authorities.

Hence, I request you also kindly to move the Forest Department for disaforestation of the above lands early as the lands are more useful for cultivation purposes. I desire to inform you that there are two temples and two tanks in Ukkunda under dilapidated condition which we the members are prepared to reinstate the temples and are keenly ambitious to reinhabitate that area and take up cultivation in chief.

Hence, we all request you kindly to do the needful early in this matter for which we will ever be grateful to you as we have been struggling for the past 2½ years incurring lot of expenses and anxiety.

AGRI. UPL & FORESTS DEPARTMENT No. TAPPAL SECTION Date 4 MAR 1960

Sir,

Sub:- Grant of Government lands in Ukkunda Kenchemmanahalli and Anthergange Villages in Bhadravati Taluk for Co-operative Farming.

Ref:- Your letter No.AFD 585 FGL 59 Dated 28-12-1959.

.....

The District Forest Officer, Bhadravathi Division after verifying the atchkat statement furnished by the Public Works Department reports that an extent of 315 acres 30 guntas in S.No.10 of Ukkunda Village and 351 acres 6 guntas in S.No.19 of Anthergange Village is irrigable under B.R.R B.C. and that no area of Kenchemmanahalli Village is irrigable. As regards the release of these areas to the people who have lost their lands under Sharavathi Project, I have to state that in principle there is no objection in the release of immediat irrigable areas under the Right Bank Channel.

This also disposes of the applications received with your No.AFD 6 FGN 60 dated 11-1-1960 and AFD 3 FGL 60 dated 21-1-1960 which are retransmitted.

Yours faithfully,

CHIEF CONSERVATOR OF FORESTS.

Order thereon.—No.

Sir,

I am to state that it has come to the notice of Govt that ~~several~~ the Coop. farming Societies have requested Govt for lands in Ukkunda, Antaragange villages etc., and laying claims on the ~~same~~ area included in the same State forest. From the papers available with the Conservator it is not clear as to which particular area is wanted by the Societies. ~~resulting in confusion as to which area a particular society is is inde asking for~~

There are 3 Coop Societies in the field, namely, (i) Sri Rama Coop. Soc, sponsored by Smt Ratnamma Madhava Rao, and (ii) Sri Rameshwara Coop. Soc, Ukkunda by Sri Ramaiah and (3) the joint Society formed by the villagers of Ukkunda and Antangaje villages. In the circumstances, I am to request you to send a detailed report to Govt as to the various parcels of land wanted by each Society, the extent, the acreage that is irrigable and the Survey numbers together with a Sketch showing the areas correctly demarcated etc., to enable Govt to take a decision in the matter.

An immediate report is requested.

Sir,

Sub: Grant of lands for cultivation in Ukkunda etc., villages from various Co-Operative farming Societies - report - submitted.

Ref: Reference No.AFD 3 FGL 60 dated 12-4-60.

With reference to the above, I write to state that the areas and actual extents required by each of the three Co-Operative Societies referred to in your above letter are not available inthis office. However as per the letter of Deputy Commissioner, Shimoga addressed to the Secretary to Government of Mysore, Revenue Department, Bangalore vide copy of reference No.M4-6556-334/57-58 dated 14-9-59 (enclosed) following are the areas applied for release in several S.Nos of Ukkunda village for co-operative farming.

Village	S.No.	Extent. A-G	
1. Ukkunda	1	4-05	
	2	8-32	
	3	17-39	
	4	1-19	
	5	22-24	
	6	22-24	
	7	8-38	
	9	44-29	1280
	10	315-30	407
		407-00	1687
2. Kenchammanahalli	2	379-30	
	3	303-16	
3. Antharangage	20	596-34	315.30
		1280-00	303-16
			619-06

Out of the above, all the S.Nos except S.No.3, are included in Anthergange State Forest of Bhadravati Range constituted asper G.O.No.9061-64/Ft-95-154 dated 22-3-1916.

Regarding the areas coming under irrigation under B.R.R.B.C., from the atchkat statement furnished by B.R.P.(P.W.D.) authorities, only ~~S.No.10~~ S.No.10 of Ukkunda to the extent of Acs.315-30 and S.No.3 of

P.T.O

of Kenchammanahalli come under irrigation under B.R.R.B.C. while the other S.Nos do not come under irrigation.

Since the several areas detailed above requisitioned by the Revenue Department have not been demarcated on the ground, it would not be possible to furnish sketches with reference to State Forest limits.

A Sub-Division Officer has however since been appointed by the P.W.D. to demarcate the irrigable areas and as soon as this is completed, necessary sketches would be obtained and submitted as called for. In this connection, I also wish to state that the Hon'ble Minister for Forests during his tour in this Division on 20-12-59 after personal discussion of this subject, opined for the release of only irrigable areas in the said S.Nos.

Yours faithfully,

Sub: Grant of Government lands in Ukkunda Kenchammanahalli and Antharagange villages in Bhadravati Taluk for Co-operative Farming.
Ref: Your letter No. RD 1 LGS 58 dated 13-11-1958.

I write to state that the local officers have built up records in favour of Sri.Rameswara Co-operative Farming Society, Ukkunda headed by Sri.Kempaiah as President of the above named Society. Another set of aspirants led by Sri.Seshagiri have also been strongly agitating for the grant of the land for cultivation. It was felt desirable not to grant lands to the individuals but to grant the same to the Co-operative Society so that a farming on Co-operative lines could be made feasible which is the present policy of Government. The Registrar of Co-operative Societies has been urged to select a set of genuine Co-operators and register a Society to which land could be granted. Grant of land to the Soceity will not only ensure better or efficient agriculture but will also avoid complications or litigations as between applicants as there are a large number of applicants and there are two conflicting groups of applicants.

In any case, it is evident that land cannot be granted to anybody unless the same is released from the Forest Department. The details of the lands applied for are noted below:-

Village	S.No:	Extent A G
1. Ukkunda	1	4-05
	2	8-32
	3	17-39
	4	11-19
	5	22-24
	6	22-24
	7	8-38
	9	4-29
	10	315-30
2. Kenchammanahalli	2	379-30
	3	303-16
3. Antharangage	20	596-34
	Total:	1687-08

The forest authorities who were consulted in the matter have stated that these lands (excepts No.3 of Ukkunda) have been included in Antharangage State Forest as per G.O.No.9061-64/Ft.95-15-4 dated 22nd March 1916. A copy of the 'C' Statement furnished by the District Forest officer, Bhadravati is enclosed for ready reference. They have opined that it is not desirable to grant the lands and that the request of the petitioners may be rejected. Of the S.Nos mentioned in the margin a portion of the land comes under the irrigable area of the Bhadra River Channel.

It may therefore be said that the entire extent of land will be brought under plough ultimately, a considerable portion under dry-cultivation.

It may do no good for the Forest to keep on this land in view of the fact that a good bit has come under channel statement and further as there is demand for the release of the land for agriculture purposes.

I therefore request that orders of Government releasing the above S Nos. from the Forest may kindly be obtained and communicated to me so that I may take further action in the matter of grant of land.

Dear Shri Korlahalli,

Sub: Grant of lands for cultivation in Ukkunda etc., villages from various Co-operative Farming Societies.

Please refer to your letter No.30-GFL.4Dar/60-61, dated the 15th April 1960, on the subject cited above, wherein it has been stated that sketches of the areas to be released could not be furnished since the areas have not been demarcated. I would like to inform you that the Societies which have applied for release of lands have been pressing Government for early orders and it has not been possible for us to take a decision in the absence of a correct knowledge of the various survey numbers asked for. I therefore request you please to send me immediately the sketches as requested in Government letter of even number dated 12-4-1960. The sketches may please be prepared with whatever material is available with you. Even if they were to show the survey numbers and the area asked for, roughly it would serve our purpose. Once again I would like to impress upon you the urgency of the matter and to request you please to see that the sketches of the lands are sent at a very early date.

Yours sincerely,

With reference to your D.O.letter cited above, I write to state that no information is available in this office regarding the actual extents and the areas required by these Co-Operative Societies in the several S.Nos of Ukkunda etc. villages. The Deputy Commissioner, Shimoga District, Shimoga was requested to furnish necessary details and sketches on the above subject, in this office No.30 FGL 4 Dar/60-61dt. 15-4-60. No reply has yet been received from him. I have however instructed the RangeForest officer, Bhadravati to personally contact the Tahsildar, Bhadravati atonce and to obtain and submit the sketches of the areas in question. The sketches with my further report would be submitted soon after their receipt in this office.

Dear Sri.Korlhalli,

I invite your attention to Government letter and my D.O. of even no. dated 12-4-60 and 12-5-60 on the subject cited above.

Notwithstanding the urgency of the matter, the sketch etc., asked for in the above letters, have not been submitted to Government. I am now desired to state that Government is not at all satisfied at the way the matter has been treated and the time it took and yet the instructions were not fully complied with. I may inform you that the Minister for Forests & Transport when he had been there some months' back, had asked you to submit the same immediately.

I therefore request you to submit the sketch of all the survey numbers etc., as already called for within a week positively. I may also make it clear that any delay in this respect may be viewed by the Govt. seriously.

2. As already reported, all the above survey numbers except S.No.3 of Ukkunda have been included in Anthergange State Forest of Bhadravati Range asper G.O. No. 9061-64/Ft 95-15 -4 dated 22nd March 1916. Vide this office No. 30 GFL 4 Dar/60-61 dated 15-4-60.

3. Regarding the delay in furnishing the sketches observed by you, I wish to bring to your kind notice that it is primarily the responsibility of the Revenue Department to furnish to this Department connected records with sketches of the survey numbers applied for and that the same were not made available even till to-day. Further, even the concerned village maps also were not available in this office with the result, the

the sketches could not be prepared and submitted earlier. Immediately after receipt of your reference No. AFD 3 FGL 60 dated 12-4-60, the Deputy Commissioner, Shimoga and the Tahsildar, Bhadravati were addressed to furnish the details and the sketches in this office No. 30 GFL-4 Dar/60-61 dated 15-4-60 and subsequently reminded on 13-5-60. Your further D.O. reference of even No. dated 11/12-5-60 was also replied to, in my reference No. 30 GFL 4 Dar/60-61 dated13/14-5-60. As this seems to have not been received by you, I am enclosing herewith a copy of the same for your kind ready reference. Thus, timely action was taken to obtain the sketches from the Deputy Commissioner, Shimoga and the Tahsildar, ~~Shimoga~~ Bhadravati from whom there has been no response. In view of the urgency emphasised in your present D.O., the Tahsildar, Bhadravati was again contacted personally yesterday and the sketches got prepared with reference to the village maps. Thus the delay is ~~xxxxxxx~~ mainly due to non-compliance of the details by the Revenue Department and the blame cannot be shifted on this office.

4. Regarding the particulars of lands required by each society, it is ascertained from the Tahsildar, Bhadravati that only two societies that is Sri. Rama Co-Operative Soceity ~~xx~~ and Rameswara Co-Operative Society Okkunda have applied for lands in all the survey numbers and that the exact allotment of the lands between the above societies is not yet decided.

5. Regarding the particulars of areas likely to be irrigated by the B.R.R.B.C., I wish to state that as already reported, only survey No. 10 of Okkunda to an extent of 315-30 and survey number 3 of Kemchemnahalli come under the irrigable zone of B.R.R.B.C, while the rest are not irrigable as per the atchkat statement furnished by the authorities of Bhadra Reservoir Project.

6. Lastly, I submit I do not remember that the Minister particularly called for the sketches of the areas under reference during his visit in this Division on 20-12-59. On his

On his way to Bandigudda when I accompanied the Minister, he had with him the petition received from ~~the~~ Sri.Rama Co-Operative Society and he wanted certain information on the subject which was furnished by me. Further, the areas in question were also shown to him in general and nothing more than this transpired during the tour of the Minister.

Yours sincerely,

SIR,

Ref: "Appeal for disaforestation of lands at Ukkunda, Antharagange, and Kenchammanahally villages for irrigation purposes to Sri Rameswara Co-operative Farming Society from Antharagange State Forest"

AGRICULTURE & FORESTS DEPARTMENT No. 37 TA-FA 30/5

With reference to the above, I, the President of the said Farming Co-operative Society, beg of you once again kindly comply with our request early, for which we have been appealing and struggling for, from a long time.

We had requested you through our application dated 1.2.1960 kindly to pay a personal visit and inspect the spot to make sure that the land is definitely useful for irrigation purposes only. The copy of application is also enclosed herewith for your kind perusal once again.

For your kind information, I am herewith mentioning once again the survey numbers relating to our application:

Ukkunda Village	S.No.1, 2, 4, 5, 6, 7, 8, 9, 10
Kenchammanahally village	S.No. 1, 2, 3
Antharagange village	S.No. 20

31/8

The above survey numbers were under cultivation under the said becharak villages. These Survey Numbers include the place of dwelling sites to building of a village to an extent of nearly 25 acres where we definitely settle down. We assure you that we are landless people and very keen on agriculture and hence, this request.

BANGALORE GOVERNMENT SECRETARIAT No. 4879 1 JUN 1960 FOREST BRANCH

We would like you to see for yourself and convince yourself that the Bhadra Main and Sub-channels have been running through the above survey numbers, ready to feed the land below for irrigation. Some portion could be utilised for gomala for cattle also.

Hence, I once again appeal to you, sir, to do the needful early.

Thanking you sir,

Yours faithfully

President,
Sree Rameswara Co-operative Farming Society.

Re: Our application dated 7-12-1959 for grant of lands in Ukkunda Village, Bhadravati Taluk, Shimoga District for irrigation.

Dear Sir,

In continuation of the above application, I humbly appeal to you again that our requisition is still under consideration from a long time.

On behalf of the members of Sri Rameswara Co-operative Farming Society, Ukkunda Village, I wish to bring to your kind notice that the sub-channels of the Bhadra Reservoir have been now running through the survey numbers which we have now been asking for irrigation purposes.

This fact will only be convinced to your goodself if you will kindly comply with our request and arrange to inspect the above spot in person. Then there would be no doubt that your goodself also would feel that a better purpose would be served to the people by releasing these lands for irrigation purpose besides this, the Bechrak village Ukkunda, to which the land belonged will be reinhabilated and the two temples on the spot also will be reinstated.

Regarding the genuiness of our just demand and statement I wish to inform you that before it could be known to us or to the Revenue Authorities that the lands actually belonged to the Forest Department, the Revenue Authorities have thoroughly investigated the spot and have felt that the said land would be very valuable and very useful for many deserving families.

And again, when we, the members of proposed to start the Co-operative Farming Society under the kind instruction of the learned Deputy Commissioner of Shimoga, a special officer

from the office of the Registrar of Co-operative Societies in Mysore, Bangalore, by name Sri. Angadi has also inspected the spot and has given his opinion also about it that the land is richly fertile and very useful if irrigated.

This whole spot is surrounded by meany villages and even one survey Number 19, just adjoining to this spot is now being given recently to Harijans for cultivation from your Department.

Under all these reasons, I, on behalf of the Sri.Rameswara Co-operative Farming Society, Ukkunda Village, pray and appeal to you once again kindly to arrange your visit to the spot, along with us and convince yourself that our demand is just.

As we have been struggling from past 2½ years on this account incurring heavy expenses, etc., I shall be highly grateful to you if you will kindly comply with our appeal at an early date.

Hope you will kindly inform us also the exact date of your kind inspection here which we hope that you would comply with our request and fix up.

Thanking you,

Yours faithfully,

Bhadravati

Sir,

You are perhaps aware that the question of granting lands for agriculture among various Coop. Farming Societies in Ukkunada Tk. villages from out of Anthanagange State Forest is under the Consideration of Govt. It is reported that out of the three Coop. Farming Societies in the field, two have been amalgamated ~~into~~ one ~~for the purpose~~ as a matter of convenience and in the interests of both the parties concerned. Govt have ~~examined their bonafides and have~~ decided to grant ~~that they should be given~~ 300 acres of forest lands to the cooperative farming society in the Anthanagange State Forest. Govt find it difficult to issue

specific orders assigning the lands to the ~~defunct~~ Societies which are now existing. As such I am directed to request you please state the name of the new Coop farming Society, the resultant entity of the amalgamated ~~of~~ Coop Societies to facilitate ~~issue of orders early in the matter~~. further action in this matter

I am also to request you please to state whether there are other members coming from outside ~~who are~~, ~~other~~ than the residents of the locality ~~persons~~ ~~natives persons~~ among the members of the Sri. The Deputy Commissioner,

Subject.- Regarding the grant of lands for cultivation in Ukkunda, Antharagange and Kenchammanahalli, Bhadravathi Tk.

I beg to bring the following facts for your kind information and justice.-

We have been informed that the Government of Mysore (Forest Department) have been pleased to release the part of the above lands from the Antharagange State Forest for cultivation purpose, and we have also been given to understand that the Government have ordered that the said lands might be allotted to the Amalgamated Co-operative Farming Society of this place.

We would like to bring to your notice that we are the first and only applicant who applied for this area of land on 10-2-1958 at Haralehalli Jamabandi to the then Deputy Commissioner and revenue records have also been built up on our application as per your Order RD.72 L.G.S. dated 1-10-1958.

N 10939
29 AUG 1960
REVENUE

Secondly, we would like to draw your kind attention to the fact that when the Special Officer of the Registrar of Co-operative Societies in Mysore, Bangalore came here on 14-5-1959 for investigation about the Co-operative Farming Societies here, he has also recorded that there are only two Co-operative Societies who had come forward.

Thirdly, the Tahsildar of Bhadravathi has also investigated in the matter recently under your kind

instructions and as you are also aware that the list of members of only two Societies have been forwarded to you which you have also sent to the Government.

The area of the whole land available in the above area is just enough for one Society of about 350 members and it is surprising to know that how the Government have assumed that there are three Farming Societies at this place? And, when there is not enough area of lands, ~~to~~ sufficient for one Society how the Government expected that there could be any amalgamation of two Societies of 350-400 members in each!

Under these circumstances, we appeal to your goodself kindly to clarify the Government with correct facts regarding this matter immediately and avoid any injustice made in our case.

Lastly, we once again desire to place before you that we are the first applicants and we have no prejudice over any other Societies and as such we found no such necessity of any sort of amalgamation.

We are landless and poor and therefore we always expect kind and impartial justice from you in our demands before allotment of the said lands according to the recent Government order.

Yours faithfully,

PRESIDENT,
Sri Rameswara Co-operative

With regard to above the Deputy Commissioner and I met members of Sri Rama Society and Sri Rameswara-Society of Bhadravati and advised them to form only One Society instead of two. Sri Rama Co-operative members agreed to follow this and whereas the members of Sri Rameswara Society differed in their opinion and want to have their Society separately.

I therefore suggest that lands to Sri Rama Society may be allotted and permission to register the Society may be given.

MYSORE GOVERNMENT SECRETARIAT NO. 10193 FOREST BRANCH

OFFICE OF
the Deputy Commissioner,
Shimoga District,

Date 25-10-1960.

To

The Secretary to Government of Mysore,
Agriculture and Forest Department,
Bangalore.

SIR,

Sub:- Grant of lands in UKKUNDA, KENCHAMMANAHALLI and ANTHARAGANGE villages of Bhadravathi Taluk to various co-operative farming societies in Bhadravathi Town.

Ref:- 1. M4.C.6556-334/58-59 dated 18-9-1960.
2. Your letter No.AFD 3 FGL 60 dated 20-8-1960.

I write to state that it is reported by the Tahsildar, Bhadravathi Taluk that there are only two Co-operative Farming Societies in Bhadravathi namely (1) Sri Rama Co-operative - Farming Society and (2) Sri Rameswara Co-operative Farming Society. The two Societies have applied for and are urging for grant of land in the said villages. He has further stated that there is no third co-operative Farming Society.

The promoters of both the Societies were served with notice to appear before me on 10-10-1960 at Shimoga in my chambers. Sri D.T. Seetharama Rao, M.L.A., and Smt. Rathnamma Madhava Rao, M.L.A., were also requested to make it convenient to meet me along with the promoters of the two Societies. Sri D.T. Seetharama Rao, M.L.A., did not come, as probably he was busy with Taluk Board elections, while - Smt. Rathnamma Madhava Rao, M.L.A., came to the Office along with the co-operators and helped me in the attempt to bring the promoters of the two societies together.

But such a compromise was not possible. Sri Kempaiah and his party of Sri Rameswara Co-operative Society were not agreeable to form themselves into one Society merging Sri Rama Co-operative Society and Sri Rameswara Co-operative

(p.t.o.

Society into one organisation and to run a common Agricultural farm. But the sponsers of the Sri Rama Co-operative Society were agreeable for the merger of the two societies into one and to work an Agricultural farm.

It may not be any more worthwhile to urge them combine and form themselves into one entity. It may be stated that none of these two societies is registered under the registration Act.

Reference is invited to the opinion expressed by me in my letter dated 18-9-1959,. I feel that it is not desirable to grant the land to the individuals as there is a greater likelihood of the land being sold away by such grantees. It is therefore, in the interest of better cultivation, and in persuance of the policy of Government the land is granted to Co-operative Farming Societies. In the case on hand the sponsers of Shri Rameswara Co-operative Society did not agree to merge the two societies into one and form a common entity. But the sponsers of Sri Rama Co-operative Society are willing to merge the two societies into one entity and work as a farm co-operative under any name. I feel that when a certain set of people are not prepared for the joint effort of a Co-operative, the land should not be granted to them. I therefore recommend that the entire extent may be released from forest and granted to Shri. Rama Co-operative Society under the following conditions.

i. the society should be registered under the societies Act.
ii. in case the sponsers of ~~the~~ Sri Rameswara Co-operative Society led by Sri Kempaiah and others agreed for a joint effort, the deserving farmers out of them may be admitted into the Sri Rama Co-operative Society ~~should also be~~ and further the sponsers of Sri Rama Co-operative Society should also be prepared to change the name of Sri Rama Co-operative Society to such other name as may be agreeable to both the parties.
iii. the khate of the land should be made in the name of the Society.
iv. bonafide agriculturists only should get the benefit of the land.
v. the society should abide by such other conditions that Government may deem fit to impose.

contd. in page (3).

The connected records are sent enclosed for kind perusal.

Yours faithfully,

For Deputy Commissioner,
Shimoga District.

Sir,

Ref:- Regarding grant of lands in the following Becharock villages: Ukkanda, Antharagange and Kenchammanahalli, Bhadravathy Taluk.

.....

I the President of the above Society beg to bring to your kind notice that we hold the top priority in getting the above lands to be released from the Forest Department for cultivation. And I beg to bring to your kind knowledge that the Deputy Commissioner of Shimoga has erred and has even been partial in sending his report to the Department favouring the other Co-operative Society yielding to the influences of M.L.A. at that end which has caused injustice to our longing demand.

Further we like to place before you that we are the genuine parties which your records will convince your goodself if you will kindly go through the records in this respect in detail.

Hence we pray you kindly kindly to bestow justice upon us and help the poor.

Yours faithfully,

I am directed to state that Govt have agreed to release about 300-0-0 acres of irrigable land from the State Forest, Aathavagange, Bhadravathi Taluk, for Coop. Farming. There are two rival Societies in the field ~~based~~ at Akkenada village, each ~~claiming~~ laying claims for the land proposed to be released and this in turn has resulted in confusion and dissatisfaction among themselves.

I am, in the circumstances, desired to request you please to visit the ~~site~~ ~~area~~ place under reference, meet the people concerned and send a detailed report in the matter for orders.

I am also to state further that ~~to~~ the members of ~~both the~~ the Societies, namely (i) Sri Rameswara Cooperative Farming Society and (ii) Sri Rama Cooperative Farming Society, Ukkuda, ~~be exp.~~ may be examined. It may be made clear that only the landless members who are prepared to put up sheds and cultivate lands personally should be preferred.

~~The possibility that the deserving members of both the Societies may be formed into a third Society may also be examined if ~~feas~~ found feasible.~~

It is feasible that the deserving members of both the societies may be formed into a third Society.

Proceedings of the Government of Mysore

Read (1) Representation dated 20-9-1960 from Smt.Ratnamma Madhava Rao, M.L.A., Shimoga, on behalf of Sri.Rama Cooperative Farming Society, Ukkunda village.

2.) Letter No.B3-85-964/58 dated 5th March 1960, from the CCF in Mysore, Bangalore. 67

3) Correspondence ending with letter No.M4.C.6566-334/57-58 dated 25-10-1960 from of the Deputy Commissioner Shimoga District, Shimoga. 117/c

Order thereon.—No.

It was represented to Government that the labourers of Bhadravathi have formed an association named Sri.Rama Cooperative Farming Society, Ukkunda and approach for lands in Antharagange State Forest in Bhadravathi Taluk, for cultivation.

The sponsors of Sri Rameswara Cooperative Farming Society, Ukkunda, have also approached Government for land from out of the same State forest for cultivation, stating that their society also comprises poor and landless people who are willing for bringing the land under cultivation under cooperative farming.

The Chief Conservator of Forests in Mysore, Bangalore, opined, when consulted in the matter, that he has no objection in principle to the release of immediately irrigable areas under the Right Bank Channel of Bhadra and particularly to these people who have lost their lands under Sharavathi Project.

The ~~opinion and~~ views of the Deputy Commissioner, ~~Shimoga District, Shimoga,~~ were also sought for as there was keen competition for the area mentioned above among the various cooperative societies each claiming priority over the matter. The D.C. in his letter dt.25-10-60, states that the efforts to bring an amalgamation of the two Cooperative Farming Societies, namely (i) Sri Rama Cooperative farming society and (ii) Sri Rameswara cooperative farming society, were of no avail. He has stated that though the former Society is willing to merge into one entity to work as a Farm Cooperative under any scheme, the ~~as the~~ latter society refused to amalgamate itself with the former, ~~one on the ground that they were the first claimants for the said land and the land should have been assigned in their favour. However~~ the D.C. ~~have~~ has therefore recommended the land to be released to be assigned be in favour of the Sri Rama Cooperative Farming Society, subject to certain conditions stipulated therein in his letter stated above.

Grant of land S.No.13 and 14 of Yerehally village in Anthragange State Forest, Bhadravathi taluk, Shimoga District to Sri Rama Co-operative Farming Society, Ukkunda - Sanctioned..

PROCEEDINGS OF THE GOVERNMENT OF MYSORE.

ORDER NO. RD 172 LMD 62

Dated, Bangalore the 12th Decr.1962 14
Margashira 21 Saka 1884

R e a d :-

1. Government Order No.AFD 3 MGL 60 dated 8-5-1962.
2. Petition dated 17-7-1962 from the Secretary, Sri Rama Co-operative Farming Society for grant of 520 acres of land in S.No.13 and 14 of Anthragange State Forest.

3. Letter No.S2.PR.201/60-61 dated 12th October 1962 from the Special Officer, Rehabilitation and Irrigation Development in Tunga, Bhadra and Bharavathi Projects, Shimoga.

Preamble:

In Government Order No.AFD 3 MGL 60 dated 8-5-1962 cited sanction was accorded to the disposal of 520 acres of land in S.Nos.13 and 14 of Anthragange State Forest, Bhadravathi taluk, Shimoga District for Rehabilitation and of expropriated ryots and to the surrender of the area to the Revenue Department. The Secretary, Sri Rama Co-operative Farming Society, Ukkunda, Bhadravathi in a representation dated 17th July 1962 addressed to Government, represented that the 200 acres of land granted in S.No.10 of Ukkunda, Bhadravathy taluk is insufficient as there are 400 members in the society and that the land released under the Government Order cited first might be granted to the society.

The Special Officer, Shimoga who was requested that the irrigable area available in the S.Nos.13 and 14 of Yerehalli village is 107 acres, that as per relaxation provided in the Government order dated 12th July 1962, 25% of the irrigable area i.e. 20 acres in S.No.13 and 7 acres in S.No.14 is to be thrown open to the local people that there is a great demand for the extent of 60 acres of irrigable land from the displaced ryots for which records have already been built up and that as the expropriated ryots do not claim dry lands they may be given to the society.

ORDER:

Sanction is accorded to the leasing of the entire extent of dry land available in S.Nos.13 and 14 of Yerehally village in Anthragange State Forest, Bhadravathi taluk, Shimoga District in favour of the Secretary, Sri Rama Multipurpose Co-operative Society as per rules.
